Financial Services Guide

Important Information

This Financial Services Guide ("FSG") has been prepared and is distributed by Australian Stock Report Pty Limited ABN 94 106 863 978 ("Australian Stock Report" or "ASR") AFSL 301682.

As an AFSL holder, ASR is required to provide you with important information to assist you as you consider whether to use our financial services.

- The purpose of this FSG is to:
- Explain who we are and how we can be contacted;
- Ensure you receive important information about the type of financial services we are authorised to provide to you;
- Assist you in deciding whether to use any of the financial services we are authorised to provide to you;
- Provide you with information about the remuneration we may receive in relation to the financial services offered;
- Explain how we (and other relevant parties) are remunerated; and
- Outline how we will handle any complaints received.

If you choose to purchase any financial product offered by ASR, you may also receive other important documents, such as a Product Disclosure Statement ("PDS") or an FSG from one of our partners. A PDS contains important information to assist you to make a decision about the specific product. The PDS and / or offer document contains key features of the proposed product, significant benefits, risks and the fees you pay the product provider to professionally manage your investment.

You should read any warning contained in a PDS or offer document carefully before making any decision in relation to a financial strategy or product.

About ASR

Our financial services and products

ASR and its Authorised Representatives are authorised to provide general financial product advice to both retail and wholesale clients on:

- Securities; and
- Derivatives.

ASR strives to deliver high quality information and general advice on securities and derivatives, which may include overseas securities and derivatives. ASR provides a range of products including report services for clients to subscribe to.

Before acting on any information or general advice you receive, you should consider the appropriateness of the advice and suitability of the relevant product having regard to your individual objectives, financial situation, risk tolerance, experience and needs. You should seek financial advice from a person qualified to provide personal advice and read the relevant PDS or other offer document prior to making any investment decision.

About general advice

Any investment advice we provide to you in relation to services offered or specific financial products will be general in nature and will be prepared without taking account of your individual investment objectives, financial situation or needs. Accordingly, before acting on any advice, you should consider the appropriateness of it, and the relevant product, in regard to your objectives, financial situation and needs. In addition to this FSG, you may receive other documents from us. If we propose that you invest in or purchase any particular financial products, we will provide you with or refer you to a PDS or private offer document, if one is available. The PDS contains information about the product to assist you in making an informed decision about that product. It will outline relevant terms, significant risks (where such exist), fees and charges associated with the product. You should read any warnings contained in the PDS or offer document carefully before making any decision relating to a financial strategy or product. You should also seek independent personal financial advice and read the relevant PDS or other offer document prior to acquiring a financial product.

Remuneration and benefits we receive

ASR may charge fees for the services we provide or facilitate. These fees may be charged in various ways which may include, but may not be limited to:

- Subscription or service fees; and
- Other benefits that are paid with your consent.

ASR may, with your permission, refer you to an external provider or a service provider within the AAIG Group in relation to other services or products. We may receive a referral fee for introducing you to the specialist or internal product provider. Neither ASR nor ASR employees or representatives are liable nor endorse products or services provided by external providers.

Directors, employees and contractors are remunerated by way of set salaries and contract fees. Directors, employees and contractors may receive bonuses based on overall company, team and personal performance.

Alternative Remuneration - Any other form of remuneration, such as gifts, entertainment or sponsorship, are recorded by ASR on a central register. A copy of this register may be made available within seven days of a reasonable and related request.

Relations or associations with financial product providers

ASR has commercial arrangements in place with various product providers in order to provide financial services to you. Any related fees and charges will be disclosed to you prior to services being offered.

ASR also has referral services arrangements in place with entities within the AAIG Group whereby ASR products and services may be promoted and sold to clients of other entities within the AAIG Group and ASR is authorised to promote the products and services that may be offered by other entities within the Group.
